2026-2027 SPONSORSHIP PACKET

What we do:

The Society of Hispanic Professional Engineers (SHPE) at The Ohio State University is dedicated to empowering students to grow academically, socially, and professionally through year-round opportunities.

Our 2026 - 2027 plans:

We aim to help students reach their highest potential and positively impact society through various academic, social, and professional events. These include professional growth workshops, STEM awareness events for K-12 students, and MentorSHPE. We also strive to increase attendance at SHPE's national convention, strengthen our network with industry leaders, and participate in volunteer activities for our K-12 community outreach.

Where you fit in:

As a sponsor, you will play a crucial role in shaping the careers of our members by supporting their personal and professional development. In the following pages, you will find various opportunities to enhance your company's visibility at Ohio State and build relationships with SHPE members.

Year-Long Events

Networking Brunch

October 3rd, 11:00 AM - 1:00 PM

Students meet with sponsor representatives for resume reviews, elevator pitch practice, networking, and a Q&A panel, all while enjoying brunch. Last year, we had J.P. Morgan Chase & Co, P&G, Honda, Accenture, and Caterpillar in attendance, with 25 members participating. Prepares students for the Autumn Engineering Career Fair.

SHPE National Convention

October 29th - November 1st

The largest gathering of Hispanic professionals, providing students with opportunities to network with over 8000 peers and 200+ corporations. Includes workshops, seminars, career fairs, interviews, and 24-hour engineering challenges.

Industry Competition

March 14th, 12:00 PM - 5:00 PM

An opportunity to thank and recognize our sponsors for their support, share insights and opportunities with students, networking, student recognition.

Additionally, serve as a fun activity for students and company representatives to collaborate and compete through STEM challenges.

Professional Development Workshops

ALL YEAR LONG

Empower members with skills to maximize opportunities, through a workshop environment. Company representatives and students share knowledge and foster professional growth.

Year-Long Events

General Body Meetings

Monthly meetings to provide organization updates, feature company information sessions, and socialize to strengthen the community and keep members informed.

Social Events

A variety of fun activities, from ice skating to trivia nights, providing members with opportunities to relax, socialize, and build camaraderie throughout the year.

MentorSHPE

Pairs first and second-year students with upperclassmen mentors to offer academic, professional, and personal guidance, fostering leadership and support within the organization.

Study Tables

Bi-weekly collaborative study sessions offering a low-stress environment where members can study together, ask questions, and support each other's academic success.

More on SponsorSHPE Tiers

Resume Book Access

Gain direct access to our curated resume book, featuring resumes from SHPE OSU members actively seeking internships and full-time opportunities. Use it to identify and connect with top engineering talent at The Ohio State University for your recruiting pipeline.

One Workshop Session

As a sponsor, our workshop session allows you to lead a themed professional event - advertise opportunities, company mission and vision, talk about the professional theme/topic for the event, and help lead a workshop to instill value and connect with our general body members.

Sponsor one member's attendance at the SHPE National Convention

Sponsoring one of our members to attend our annual National Convention covers the cost of attendance, travel, hotel, and transportation. The member is responsible for any personal expenses beyond that budget. Sponsorship will also be recognized on our various social media platforms

Community Outreach Event Invitation

Get involved with our efforts on various occasions throughout the semester to visit various high schools in the district along with hosting some at The Ohio State University Campus

Primary Sponsor Status

Being recognized as a primary sponsor includes being part of SHPE OSU's journey the entire year. This includes being invited to all of our events, such as sporting tournaments, social events, and community initiatives. Additionally, you will be mentioned at every SHPE OSU appearance, including involvement fairs, collaboration events with other organizations, speaker panels, and award ceremonies.
